

Wellspring

COMPONENTS, LLC

GRILL CABINETS & EQUIPMENT

INSPIRATIONS. NOT IMITATIONS.

THE WELLSPRING STORY

Four generations ago, in the mid 1950's, a man, who grew up in the hills of the Ohio Swiss Valley gathered a forge, an anvil and the accessories and set up shop outside of Shipshewana, Indiana. He rolled up his sleeves and started serving the surrounding farming community. Big Ben Miller is gone, but his legacy of serving the community continues to this day. The coal forge is in storage and has been replaced by gas-fired furnaces. The anvil sitting in the middle of the action at the metal fab shop of Wellspring Components LLC, is symbolic of the legacy. Fourth generation family members continue to hammer out their creations on the anvil's scarred surface. Now, four generations later, the blacksmith & carriage shop has evolved into multiple divisions serving various markets including the local community.

The Wellspring BBQ division was created after years of endless creations. Needless to say, offering the Big Green Egg, the leader in ceramic grills, created new visions. Today Wellspring manufactures a line of aluminum grill cabinets for all ceramic grills and modular units to create complete outdoor kitchens. They design, manufacture and market commercial, competition,

and backyard barbecue equipment. The latest is a new revolutionary concept of a rotisserie style barbecue cooker for large volumes of chicken, ribs, pork butts or similar meat cuts.

Even though Wellspring utilizes laser cutting, CNC bending, pulse welding and other technologies, it continues to be grounded in that legacy of the anvil, tongs, and fire. Unknown to many, Wellspring is one of few in the world that still forges and heat treats tapered leaf springs as it was done over a hundred years ago for the horse drawn carriage and 1st generation auto industry. Wellspring craftsmen are still grounded in this legacy as they create value with steel, stainless steel, aluminum, and plastic. The aluminum grill cabinet is a good example of these timeless pieces.

Partners: Great nephew: Norman Yoder/Designer

Great, great nephew: Delmer Yoder/Production Manager

Great, great nephew: Arlin Yoder/Sales Manager

At Wellspring, we blend old-fashioned craftsmanship with modern technology like laser cutting, CNC bending, pulse welding, and other technologies, to create products that are both timeless and cutting-edge.

PRODUCT CARE & WARRANTY

Product Care: Use only mild soap with a sponge or soft cloth to clean all powder coated surfaces. Do not use solvents, stainless cleaners or aggressive dish soap. It is recommended to use a Carnauba wax on surface. The powder coated finish & plastic are both high quality exterior products but will be scratched when in contact with sharp or abrasive objects. Use hot plates under all hot items placed on powder coated surface, ensuring there is no debris in between. Do not leave hot or wet ashes on powder coated surface. Plastic doors will warp at very high temperatures. Heat deflection rating is 66 psi at 183 degree F. No warranty on plastic beyond these specs. There is no salt spray specifications or warranty as of 2016.

Warranty: Limited 10 year warranty on material, welds, and powder coating to original owner with regular use and care as intended. 2 year warranty on all hardware, wheels, and the loosening or stripping of all fasteners. Warranty is void if misused, abused, or used in any way other than what the product is intended for. Warranty is void if not cared for as indicated under Product Care. This warranty is strictly with Wellspring Components, LLC. Copy of original invoice from dealer needed to claim warranty. Wellspring will pay freight costs in the first year, after that, shipping is prorated for 5 years. After 5 years no freight allowed.

ALPHA SERIES CABINETS

The Alpha Series combines quality, value and convenience all into one, making it a perfect choice. A fully welded body and marine grade doors, paired with stainless steel hardware, ensures that it will serve you and your family for many years to come.

When it comes to your backyard, making the right investment is key, and Wellspring cabinets are here to deliver. Need to rearrange your grilling area? Not a problem! Every cabinet and cart comes with 4" casters that make moving your grill easy! Stainless steel latches and rubber gaskets ensure your accessories, and charcoal, stay dry. Cabinets range from 2 door, 4 door and 6 door, with drawer options

available. The Alpha Series cabinets are directed toward the ceramic kamado style grills but can house gas units as well. Coming in a variety of color options, we are confident we have what you are looking for in every application. Wellspring strives to build valuable cabinets to enhance your outdoor cooking experience.

XPANDABLE GENERATION SERIES

The Xpandable Generation Series is the basis for your fully customized kitchen space. When the same durable powdercoated finish and polyethylene doors are combined with a 2" removable top and standard widths, the only limit is your imagination.

Welcome to the Xpandable Generation Series. From mobile cabinets and stationary islands up to full service custom kitchens, the Xpandable Generation is made just for you. Each cabinet is built with 1/8" aluminum that is fully welded and requires no assembly. We use standard cabinet widths to ensure maximum flexibility both now and in the future. Our removable 2" powdercoated top allows for different sized tops or replacement tops to be easily added later. UV resistant 1/2" polyethylene doors will not rot or fade and will provide elegance and protection for many years to come. Our bar pull kitchen handles bring durability and style to your kitchen. Cabinets come standard with our 4" heavy duty casters, leg

kits available for stationary designs. The Xpandable cabinets can fit a full range of built in gas grills or ceramic kamado style grills. When choosing a different grill, we simply resize the grill section to fit within the same standard footprint.

Don't need a grill section? We've got you covered! You can choose from various combinations of accessory cabinets, wastebaskets sections, and sink options, as well as drawer options. Make your kitchen stand above the rest with a urethane counter top upgrade that adds durability and gives your kitchen an authentic granite or marble look. The Xpandable cabinets are here to grow with your outdoor cooking needs.

EXBL2DSVSVCHBKCS

EXBLDDTBWVDGSSCS

DUO XPANDABLE SERIES

- Duo Modules are 30"W x 57½"L x 34"H. Section width will vary based on grill model chosen.
- Simply change the top to change to any other ceramic grill brand.
- With a plain top, this module can be used as an accessory cabinet in 6 plus different configurations.

EX1DGM1DSVSVCHBKCS

TRIO

XPANDABLE SERIES

- Trio Modules are 30"W x 80"L x 34"H. Section width will vary based on grill model chosen.
- 4 Doors Includes Tank Storage / 2 Drawer
- Top And Front Filler Are Custom Made To Grill Size
- Able to fit any built-in Grill options.

ACCESSORY XPANDABLE SERIES

Running out of space for all of your accessories, and anything extra you want to bring outdoors? Accessory Cabinets are here for you! These cabinets can be fully customized to meet your individual needs. Modules come in double or triple section cabinets, with drawer options available. Whether it's your grilling tools or gardening tools, Accessory Cabinets make space for you and adds that much desired working area. Cabinets can be fully customized with all of our Xpandable Series color and finish options.

KITCHEN XPANDABLE SERIES

Looking for a built-in option for your space? We offer the Xpandable series with a fixed leg option that's ideal for installation purposes. They can be easily connected to each other, end to end or with a corner top to create a L- or U-shaped outdoor kitchen. Cabinets can be fully customized with all of our Xpandable Series color and finish options. We also offer completely customized options such as corner grill cabinets and full height cabinets as pictured. For additional layout ideas, see examples on page 32.

XPANDABLE SERIES DETAILS

CLASSIC

COLLAPSIBLE CABINETS SERIES

The Classic Collapsible Cabinets Series is an original line of powder coated aluminum, all-weather outdoor grill carts by Wellspring which may be disassembled for shipping and storage.

The all-weather finish can be cleaned up with mild soap and a soft cloth. Counter tops are the same material and require the use of hot plates or heat resistant protective mats. Accompanied by 4" casters, this cart can be easily moved on a variety of outdoor surfaces. Once positioned, the 2-way locking casters also provide a stable and stationary work

station. The Classic Ruggedness Series is designed for easy shipping and includes Free Shipping to all customers in the lower 48 states and can be added to existing orders with no additional shipping cost. Same day shipping options also available. All hardware included for assembly with instructions.

CLASSIC VALUE SERIES

If you are just getting into the grilling market, you have probably noticed that it is not the cheapest hobby to get into. Not to worry! Wellspring has a great cart for those of you who are just getting into grilling, or have multiple grills and want to keep them mobile. Value carts are a great accessory to cooking experience. Carts come in powder coated Tuxedo Black, in your choice of aluminum or steel, and are available for Big Green Egg, Kamado Joe, and Primo.

These sauces and seasonings are proven to provide the best in barbecue. The Sweet & Savory, BBQ Plus & Meat Rub have won many prizes. Combined, they are a complete seasoning cupboard for serious barbeque.

SAUCES & SEASONINGS

AWARD WINNING

No BBQ is complete without spices. Our award-winning sauces and seasonings are proven to provide the best in barbecue and are a great compliment to your BBQ store.

Welcome to our spice and seasoning selection, your ultimate culinary companion where you will find multiple award-winning selections! Our Sweet & Savory BBQ Sauce has won such prizes as the Best Sauce in the 2015 American Royal and the 2019 Illinois Peoples Choice. BBQ Plus & Meat Rub have also won many prizes and combined are a complete seasoning cupboard for serious barbeque. Whether you are an aspiring home cook or a seasoned chef,

our treasure trove of flavors found throughout our carefully curated collection of aromatic herbs, spices, and unique blends will elevate your culinary creations to new heights.

From bold and smoky to sweet and savory, let your taste buds be your guide as you embark on your culinary journey. Happy cooking!

BAR-B-QUE SAUCES

SWEET & SAVORY BBQ SAUCE

This is one of those products that we feel great in putting our name on it. This is for those that love a sweet barbeque sauce. The brown sugar performance in this savory sauce works great on any type of meat. Go ahead, don't just pour, smother it!

Available Sizes:

1/2 Gallon (6 Per Case)
12 oz. bottle (12 Per Case)

SPICY PEACH BBQ & WING SAUCE

The smooth sweetness of this sauce blends with the medium to mild spice flavors in such a way that you can hardly pinpoint the peach! When you slather chicken wings with this, you'll know it's taking barbeque sauce to another realm.

Available Sizes:

1/2 Gallon (6 Per Case)
12 oz. bottle (12 Per Case)

SPICE SAMPLER

Includes sample sized bottles of our Fajita & Wings, Meat Rub, BBQ+ and Steak & Burger.

Available Sizes:

4 Pack

RUBS & SEASONINGS

MEAT-RUB

Fully developed in house, this all-purpose meat rub combines the spices of Rub-Rub with a little sweetness, helping seal in the natural juices of any meat that is cooked low and slow in the barbeque pit. This is the ultimate for ribs, pork tenderloin, briskets, whole chickens and more. Apply just before putting meat on barbeque pit or up to 12 hours before cooking, wrapping and refrigerating.

Available Sizes:

2 lb Bag
10½ oz. Shaker Bottle

BBQ PLUS

Our signature product has been developed over a period of years to a tasty balance of salt, sugar, onions, garlic, black pepper, hickory smoke flavor, chilli, and spices. This is the ultimate for grilled chicken, sealing in natural juices of your meat. The taste of grilled chicken seasoned with BBQ Plus will encourage you to BBQ Plus everything.

Available Sizes:

5 lb. Bag | 2 lb Bag
10½ oz. Shaker Bottle

STEAK & BURGER

This recipe is based on a Montreal Steak seasoning. The overall grind is a little finer than most steak seasonings, but still a fairly course ground peppercorn. A little less garlic for those that don't want the taste dominated by garlic. The finer grind makes it great for burgers. Press on both sides of steak at time of grilling or apply up to 4 hours before.

Available Sizes:

10½ oz. Shaker Bottle

FAJITA SEASONING

This is our new sensation in the food world. The medium heat chili that we use creates a south-of-the-border sensation without overwhelming the flavor of your food. Great for chicken and beef fajitas, but very universal. You'll be surprised what it'll do for stir-fries, shrimp and steaks.

Available Sizes:

2 lb Bag
10½ oz. Shaker Bottle

SAUCES & SEASONINGS

TACO/ENCHILADA

Tacos: Use more or less to adjust heat. Great for any taco dish.

Enchiladas: Use some seasoning in the meat, not too much. Heat 2 c. tomato juice in a sauce pan. Mix 2 tbsp seasoning with 2 tbsp corn starch or flour. Whip mixture into the tomato juice and let simmer until it thickens a little. Ladle some of the sauce into the meat for flavor and moisture. After the Enchiladas are rolled into a pan, pour sauce over the top. Bake and add cheese when close to being done.

Available Sizes:

8 oz. Shaker Bottle

SRIRACHA

Throw out your hot pepper and try this flavorful blend to satisfy your special taste buds. Habanero with enough sweet and tangy to create a sensational flavor on meats, eggs and vegetables.

Available Sizes:

8 oz. Shaker Bottle

ITALIAN

This combination of spices is a great blend to bring that unique Italian flavor to about anything you wish. Has no salt or sugar, just bursting with flavor. Ready for your soups, pizza and pasta.

Available Sizes:

3 oz. Shaker Bottle

ORGANIC COFFEE

BALI (INDONESIA)

Medium Roast

Very low acidity. For sensitive stomachs. A well-balanced, organically grown coffee with a very unique flavor profile. It has notes of Black Licorice and Cedar.

Available Sizes:

- 12 oz. Zipper Seal Bags
- 12 count K-Cups

JAVA (INDONESIA)

Medium/Dark Roast

Low acidic. A great flavor from the island of Java. A low acidic coffee that has a rich chocolate undertone with a smooth finish.

Available Sizes:

- 12 oz. Zipper Seal Bags
- 12 count K-Cups

OAXACA (MEXICO)

Medium Roast

Very mild acidity. For sensitive stomachs. A surprising mellow experience from Oaxaca region of Mexico. Brown sugar with milk chocolate notes.

Available Sizes:

- 12 oz. Zipper Seal Bags
- 12 count K-Cups

SULAWESI (CELEBES)*

Dark Roast

An Arabica bean that has a robustic flavor. It is low acidic. A rare coffee from small farmers in Indonesia. It possesses deep flavors with a mellow aftertaste compared to the well known Sumatran.

Available Sizes:

- 12 oz. Zipper Seal Bags
- 12 count K-Cups

**Non-Organic*
